The General Managers (P)
All Zonal Railways

Sub: Reckoning of 30% Pay Element for Fixation of Pay of Running Staff involved in SPAD Cases, who fail in Psychological Test and are subsequently deployed in Stationary Posts (non-running) - Clarification reg.

References have been received from various Zonal Railways, seeking clarification on the applicability of the 30% pay element in respect of Running Staff involved in Signal Passed at Danger (SPAD) cases, who fail the prescribed psychological test and are redeployed to stationary (non-running) posts.

2. The queries raised by the Railways are broadly as under:

- i. Whether the 30% pay element is to be reckoned for fixation of pay of such Running Staff who, after failing the psychological test post-SPAD, are posted to non-running/stationary posts.
- ii. Clarification on pay fixation and further deployment procedures for such psycho-failed Running Staff.
- iii. Determination of the effective date for such pay fixation — whether from the date of the SPAD incident or the date of failure in the psychological/aptitude test.

3. In this regard, attention is invited to Board's letter No. 2018/Safety/DM/20/1 dated 20.08.2019, wherein it has been stipulated that:

"A Running Staff who is involved in SPAD should be allowed only one attempt for the psychological test. In case the staff fails in the psychological test, he/she should be taken out from running duties and deployed in stationary/non-running duties."

4. In view of the above, the following position is clarified for uniform adoption across all Railways:

- Running Staff involved in SPAD cases, who fail the psychological (aptitude) test, shall be treated as non-running staff with effect from the date of such failure.

- Upon redeployment to stationary (non-running) posts, they shall no longer be eligible for the 30% pay element for pay fixation.
- In case such staff subsequently retire or opt for VRS, the 55% pay element shall not be admissible for computation of retirement benefits.

5. This issues with the approval of the competent authority.

(This disposes of CR's letter No. CR-HQ0PERS(POPT)/224/2022 dt. 10.02.2025, SWR's letter No. दपरे/(पी),573/पीसीडीओ/2024-25 dt. 10.12.2024, ER's letter No. E.1140/ALP/E&DE/Refd/2019 dt. 30.01.2023)

New Delhi, dated: 20.08.2019

**General Managers,
All Zonal Railways**

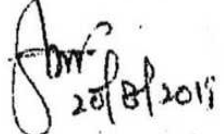

Sub: Re-deployment of Loco Running Staff/Motorman involved in SPAD cases.

References were received from Southern Railway and Central Railway seeking clarification regarding number of attempts to be given to the Loco Running Staff for the aptitude test (previously known as psychological test) who were involved in SPAD.

Accordingly, the matter has been examined and the following has been decided:

A Running staff who was involved in SPAD should be allowed only one attempt for the psychological test. In case the staff fails in the psychological test, he/she should be taken out from running duties and deployed in stationary/non-running duties.

Further, Railways may refer to Railway Board's letter No.2017/Safety(A&R)/18/11 dated 08.01.2018 for other details.
